

# Dogz Thinkz Differentz

I ain't stoopidz

I izn't dominantz

I izn't stubbornz

Wot amz I thinkingz thenz???

| The Phrase                                       | What We Think  | What Dogz Think   |
|--|--|---|
| He's <i>Dominant</i>                             | My dog always jumps on me and pulls me along   | Heyz, I just wanna have cuddles like we used to when I woz a puppy & I wanna get to the park fast to play with my pals  |
| He <i>Hates</i> the Postie or Cats or the Vacuum | My dog hates these things so much because he is barking, growling, lunging at, or chasing them   | Postie: There must be something very wrong wiv thiz guy. He never comez in - he must not be a friend - I better get rid of him! Cats: Yeah, a catz, I lurv to chase them catz! Vacuum: Geez, that noise is scary! |
| He's Just <i>Play Biting</i>                     | It hurts a bit but it's ok or He's constantly biting me he is a monster!   | But this iz how I play with my dog palz   |
| About <i>Rewards</i>                             | I don't want to bribe my dog or make them fat, they should just do as I ask because they love me. Plus I don't want to carry food with me all the time | Heyz, I lovez you okay, but why should I do what you want when therez so many interezting thingz out there?   |
| About <i>Socialisation</i>                       | My puppy or dog needs to play with lots of others so they learn to be tolerant of all dogs   | Heyz, I lovez playing with other puppiez, I get so excited! Or weeelll, I like to take my time meeting others n hang back til I'm sure we'll get along. Those big dogz look scary                                 |
| He's <i>Stubborn</i>                             | My dog knows what to do, he just won't do what I want  | But it's a rabbitzzzz!  |
| He's <i>Stupid!</i>                              | He just won't learn anything   | How can I listen to you when therez so many exciting thingz going on!   |
| He's Just a <i>Bit Timid...</i>                  | He's just shy because he's been in the rescue centre for a while   | My world has clozed down and I really can't cope with new thingz  |
